OGGETTO:- Sospensione attività di raccolta sangue con autoemoteca della FIDAS Campobasso

Il sottoscritto Gianfranco ADAMO, in qualità di Presidente dell'associazione FIDAS CAMPOBASSO, in riferimento al rapporto Audit del 30.11.2023, considerato che persistono le criticità relative al reperimento di personale, medico ed infermieristico, da dedicare alla raccolta sangue e di conseguenza constatata l'impossibilità, attualmente, a poter garantire la raccolta del numero minimo di unità di sangue intero previsto dagli standard di medicina trasfusionale tale da consentire anche il mantenimento delle competenze professionali come da normativa vigente,

COMUNICA

che a far data dal 01.03.2024 viene sospesa momentaneamente l'attività di raccolta sangue effettuata con l'autoemoteca della FIDAS CAMPOBASSO, nella speranza di riuscire a reperire personale Medico ed Infermieristico qualificato e idoneo, da dedicare all'attività di raccolta del sangue e, tornare quanto prima, a collaborare come è stato fino ad ora.

Si conferma, naturalmente, la piena disponibilità e collaborazione con il SIT di riferimento per quanto riguarda l'attività associativa.

Cordialmente.

IL PRESIDENTE
Gianfranco ADAMO
